You won't need a hole cutter to fit these as the pin will pierce through the fabric!

Star Studs with Prongs Die set

W_STR-ST-DIE-P

Drop the Star Stud into the base die with the prongs facing up.

Base Die

Make sure you buy your Star Studs in the same size as the die (eg. 10mm studs = 10mm die)

Remember you don't need to slam your Green Machine handle down, slowly but firmly press it down and that'll do the trick!
