

Metal Skull Heads

9x15MM - Pack of 100

These are our metal kull studs, available in 9x15mm to be compatible with the Green Machine die.

SK-ST-9MM-GLD-100

SK-ST-9MM-BRZ-100

SK-ST-9MM-SIL-100

SK-ST-9MM-GMT-100

Push in flat

No hole cutter is needed for these studs as the post is sharp enough to pierce through the fabric

Simply drop the pin into the base die and push the face of the skull into the top die.

Slowly but firmly press down your Green Machine handle to secure.

Top Die Base Die

SK-ST-DIE-9MM-G

We do have other sizes but these aren't compatible with the Green Machine
